## BRAZIL FISH OIL

Marketed by: US Export Import Corporation

### Fish Oil

TEST	RESULT	METHOD
Moisture	0.41%	C.B.A.A-N° 53
Free Fatty Acid	6.02%	C.B.A.A-N° 28
Iodine Value	102.30%	C.B.A.A-N° 31

### Storage and Handling

To reduce oxidation of oil, minimize exposure to heat and oxygen sources. Extended storage at temperatures under 45 F could cause stearine crystals to appear. Thaw at room temperature.

### Packing

Bulk, drums, totes at seller options
